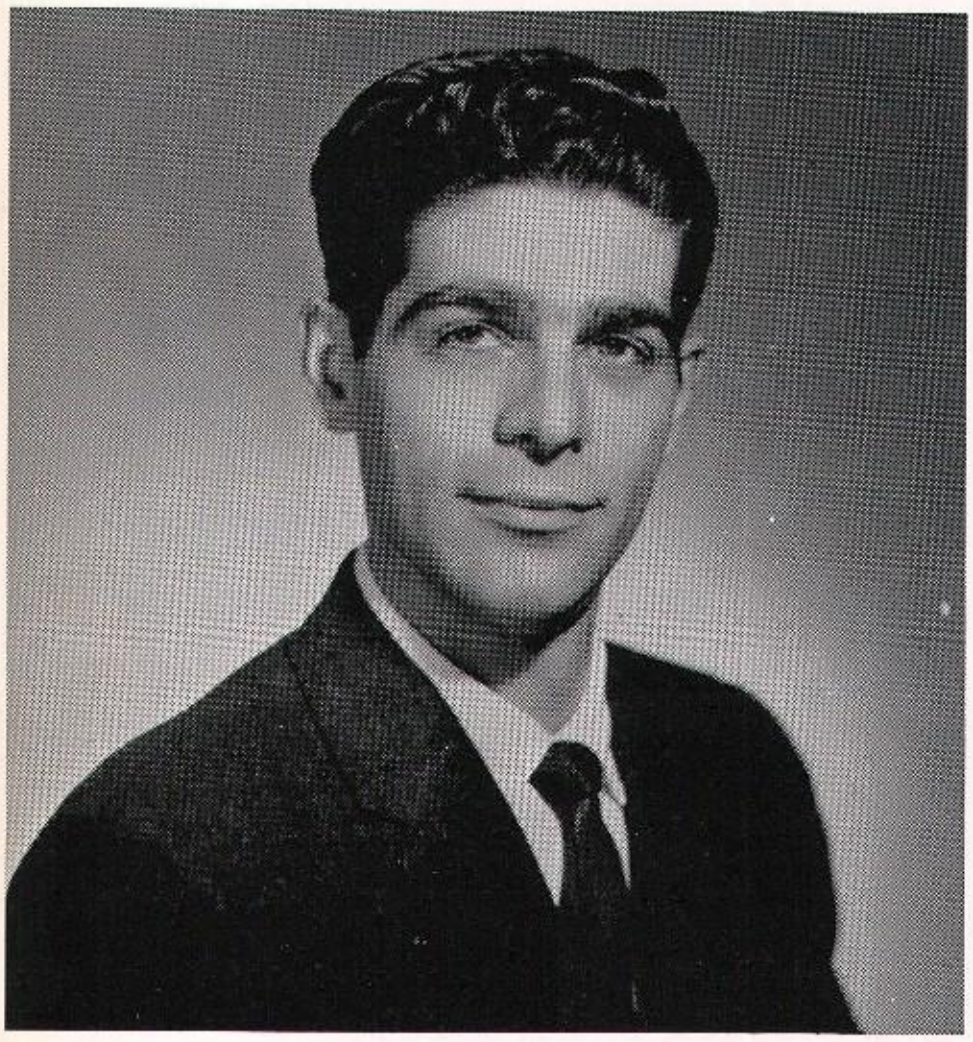
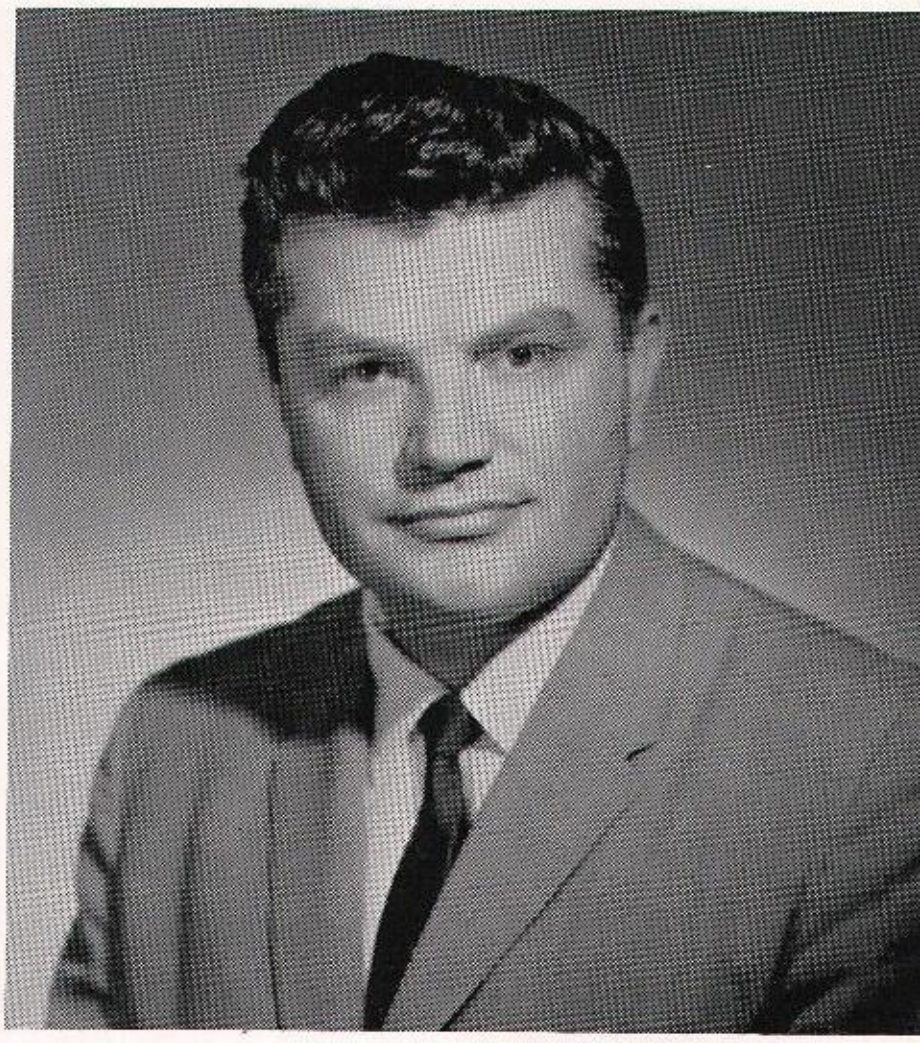
HIGH SCHOOL

Yes, in the past year there have been some changes made . . . in our school . . . in our leaders and teachers . . . in ourselves. These changes are in tune with our modern age, but the spirit of our school will never dim nor change; and the ideals that have been implanted within us will ever remain.





We, the Class of 1963, would like to pay tribute to our class advisors, Mr. Edmund J. Zoranski, Mr. Thomas V. Buscemi, and Mr. Clifford F. Kollmeier.

Mr. Zoranski led us through the beginning years of our high school career. He worked hard to make our class a success as was seen in our Junior Prom and other activities. He was not only a great advisor but also a good friend.

Mr. Buscemi and Mr. Kollmeier were our advisors for our last and busiest year of high school. They helped us through our Washington trip, graduation, and many other activities with untiring effort.

So it is, with gratitude and deep affection, that we dedicate this book to them.

Administration

C.H.S. welcomed many new faces to its faculty this year. We all agree our administration did a great job in preparing our new school for us, although we found it rather difficult to carry our own waste paper, write with dull pencils, and re-use paper for awhile.

FIRST ROW, STANDING: W. Bradle, E. Dougherty, R. McGiboney, H. Knobloch, M. Kuchlak, SEATED: R. Sandelier, Pres. W. Frame, V-Pres. D. Byrne, Sec. M. Silvers, Not pictured, John Cerak.

Board of Education

"Education is a human process, involving the creation of high moral standards and worthy ideals."

In your educational life there is no second chance, for you pass this way but once. Now, you are taking the final step from Clayton High School. It is time for you to realize that life is just beginning to shine its light of responsibilities on you. What you make of your life will depend on you. Remember the lessons you have learned, the discipline, the respect for others, and you will be a success in life.

Alma Mater

Oh, Clayton High! Oh Clayton High!
The years may come; the years may go,
Our love for thee burns ever bright.
We love thee for thy strength and might.

O Alma Mater, good and true,
Thine honors sung are ever new.
Thy deeds have conquered many a foe,
Thy sons are known wherever they go.

The years may pass and we are old,
But still we love the Blue and Gold.
By thy true children still kept bright,
We'll work for thee; our guide and light.

Changing Years

When we entered the halls of the original Clayton High as wide-eyed freshmen, we changed from just grammar school kids into high school students. No sooner had we entered school, however, than our spirits were dampened by the mighty seniors. Our class, made up of Delsea and Clayton students, elected Sue Suchman as class president. Our first contribution to the Mardi Gras was presenting Grace Sylvester as Good Luck Queen. Our next project was producing our red and white banner. In the spring we gave a Welcome Home dance to the seniors returning from Washington.

With the beginning of our sophomore year, our spirits were dampened again by the absence of our Delsea friends. However our spirits rose again when we won second place in the Halloween parade with Ruth McNally ruling as the Pearl of the Sea. Rick Ferrell was elected class president. With the help of our class advisor Mr. Zoranski, we sponsored the successful Roaring Twenties Dance and the Bermuda Hop. On Valentine's Day the Sweetheart Serenade was given.

On the first day of our junior year, we were considered upperclassmen. Sam Herring was elected class president. Madame Butterfly with Phyllis Williams as queen, received first prize in the Halloween parade. The most important event of our junior year was the Prom. After many hours of work, Un Soir a Paris was held on May 25, 1962. The announcement that Mr. Zoranski would not be returning for our senior year made us all very unhappy for we were losing not only a great advisor but also a good friend.

Again a great change occured in our lives; we entered the new Clayton High School as mighty seniors. Mr. Kollmeier and Mr. Buscemi were our new class advisors.

Sam Herring was re-elected class president while John Donaghy was elected Student Council president. Our first dance was the traditional Kick-Off Dance. With the arrival of our long awaited class rings, we felt like real seniors. June Williams reigned as Empress of the Nile in the annual Mardi Gras! On December seventh and eighth *Lock, Stock* and *Lipstick* was presented as our senior play. In the spring we left for our long awaited Washington trip. After three short days of fun, we returned home, tired but happy. Then the day which had haunted our minds as freshmen came. In June we graduated as the first class from the New Clayton High, our Alma Mater.

Play that music, boys.

Wine, women, and song!

Congratulations!

We could have danced all night.

Small talk at the Prom.

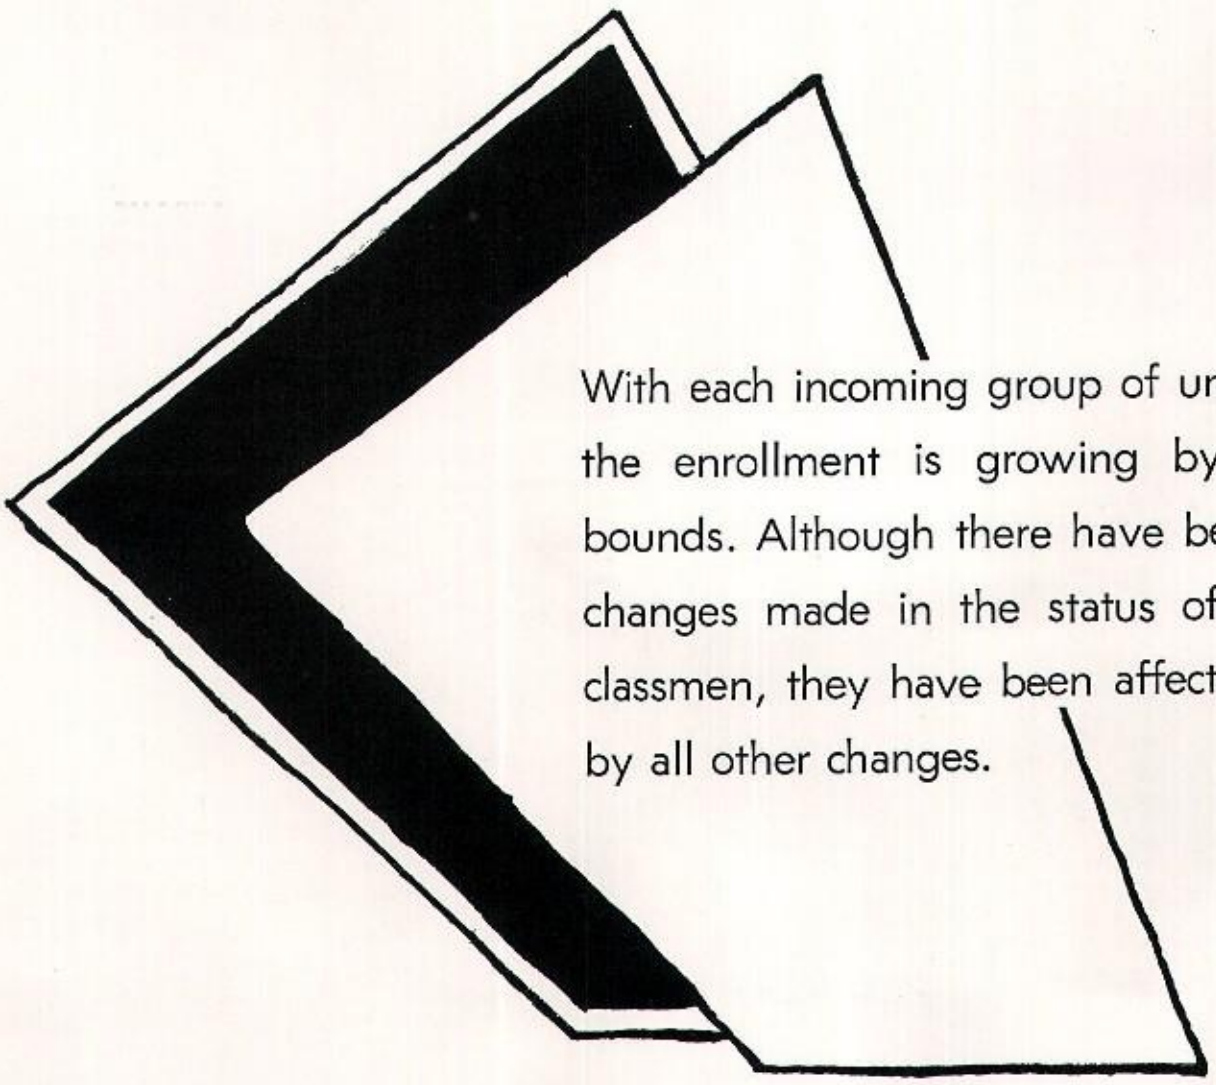
Underclassmen



With each incoming group of underclassmen the enrollment is growing by leaps and bounds. Although there have been no great changes made in the status of the underclassmen, they have been affected indirectly by all other changes.

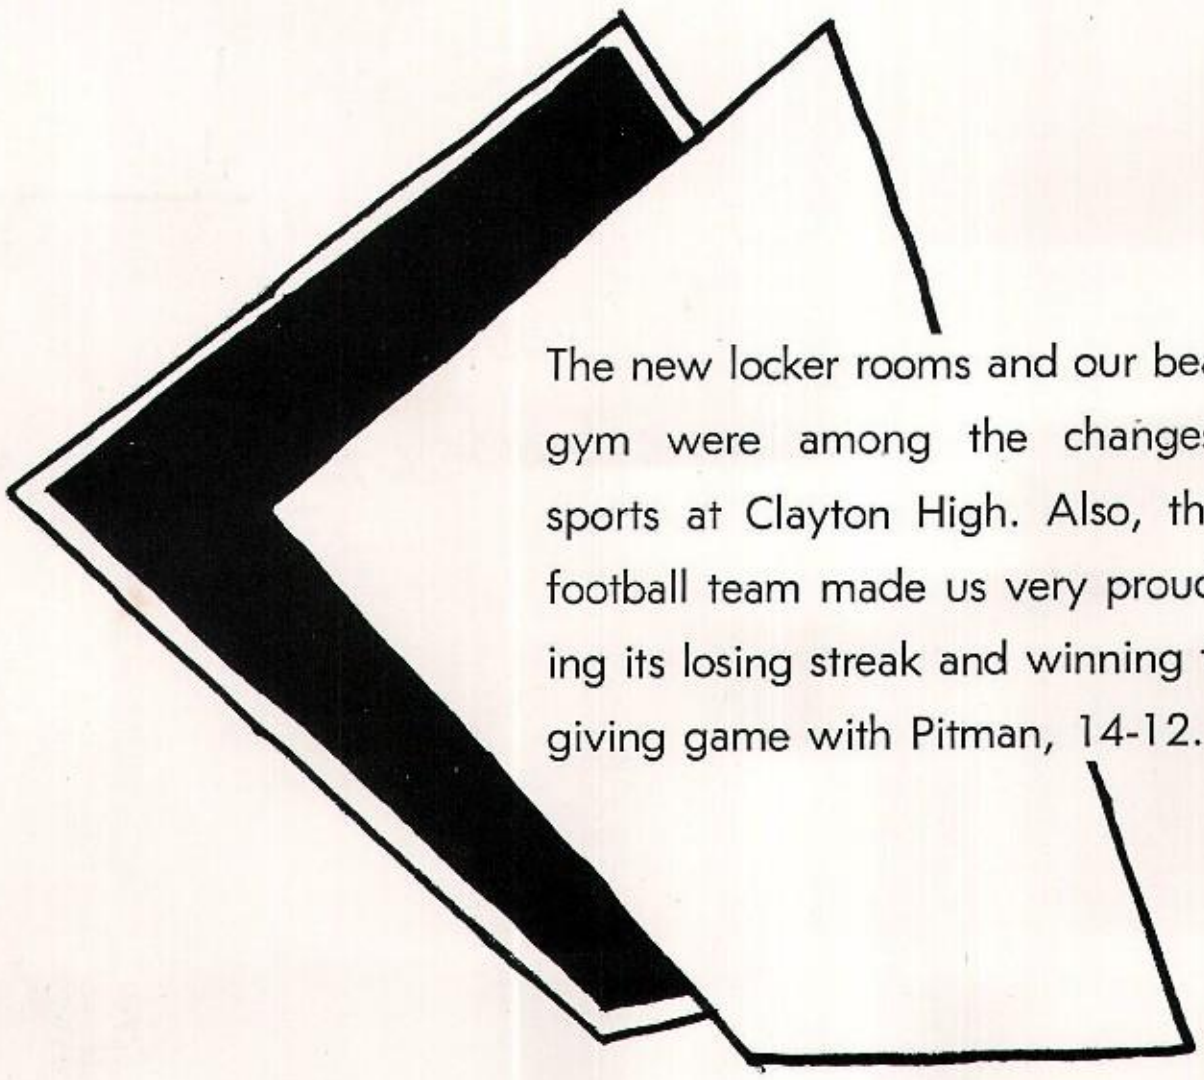
Sports



The new locker rooms and our beautiful new gym were among the changes affecting sports at Clayton High. Also, this fall, our football team made us very proud by breaking its losing streak and winning the Thanksgiving game with Pitman, 14-12.

FIRST ROW: J. Tello; H. Junkerman; R. Puglia; V. Robinson; J. Maden; E. Hamilton; L. Lentini; T. Barnum; T. Gwalthney; R. Pearce; R. Cerak; D. Gwalthney; B. Horask; B. Smallwood; B. Sandelier; S. Adams; J. Cerak; P. Wright; C. Blakeslee; B. Giberson; C. Puglia; J. Steelman; M. Lindner (ass't. coach)

The 1962 Clayton Clippers, coached by Mr. Robert Strain, provided many thrills and a great deal of excitement for their fans. Although the record was not exceptionally good, many of the games were very close and with a few breaks Clayton might have won them.

The highlight of the season was the annual Thanksgiving Day game against Pitman. In this game Clayton broke their 26 game losing streak by winning 14-12. As the score indicates, the game was very tightly contested and was not decided until the final gun.

With the majority of their players returning next year, Clayton looks forward to an improved record while continuing to provide many exciting moments.

After a year's absence, Clayton again had varsity and junior varsity basketball teams. Although the varsity started off slowly, they improved steadily as the season went on. This was due to the fact that the team was largely inexperienced. The only player with previous varsity experience was high-scorer John Cerak. Mr. Cliff Crispin did a very excellent job in his first year as head-coach. The J.V. also played very good ball, and many of its players are expected to move up to the varsity next year. There were also teams this year for the freshmen and 7th and 8th grade boys.

Junior Varsity

The varsity basketball team did not have as good a season as expected. The game was changed slightly and some rules were completely new. Despite only two wins, the team had tremendous spirit and great effort. The junior varsity had a similar record.

The 1962 hockey team, under the direction of Miss Faust, had fewer victories than last year; however, with the true spirit and undying effort the team displayed, they may yet honor Clayton High School with the sportsmanship award. This year's record was 2 wins, 4 losses and 2 ties.

The team concluded its season with the Tri-County All Star game at which Gloria Fleming received an All-Star player award, and Mabel Chadwick, Honorable Mention.

TRACK

Clayton's track fortunes took a turn for the better this year. Although they did not win any meets, they did place second in two triple meets. Every meet was close, and Clayton consistently did well in the field events and in the mile run. In the Tri-County meet John Cerak took a second place in the javelin, and Paul Wright took a second place in the mile. In the State Track Meet, John Cerak took a first place in the javelin for Group 1.

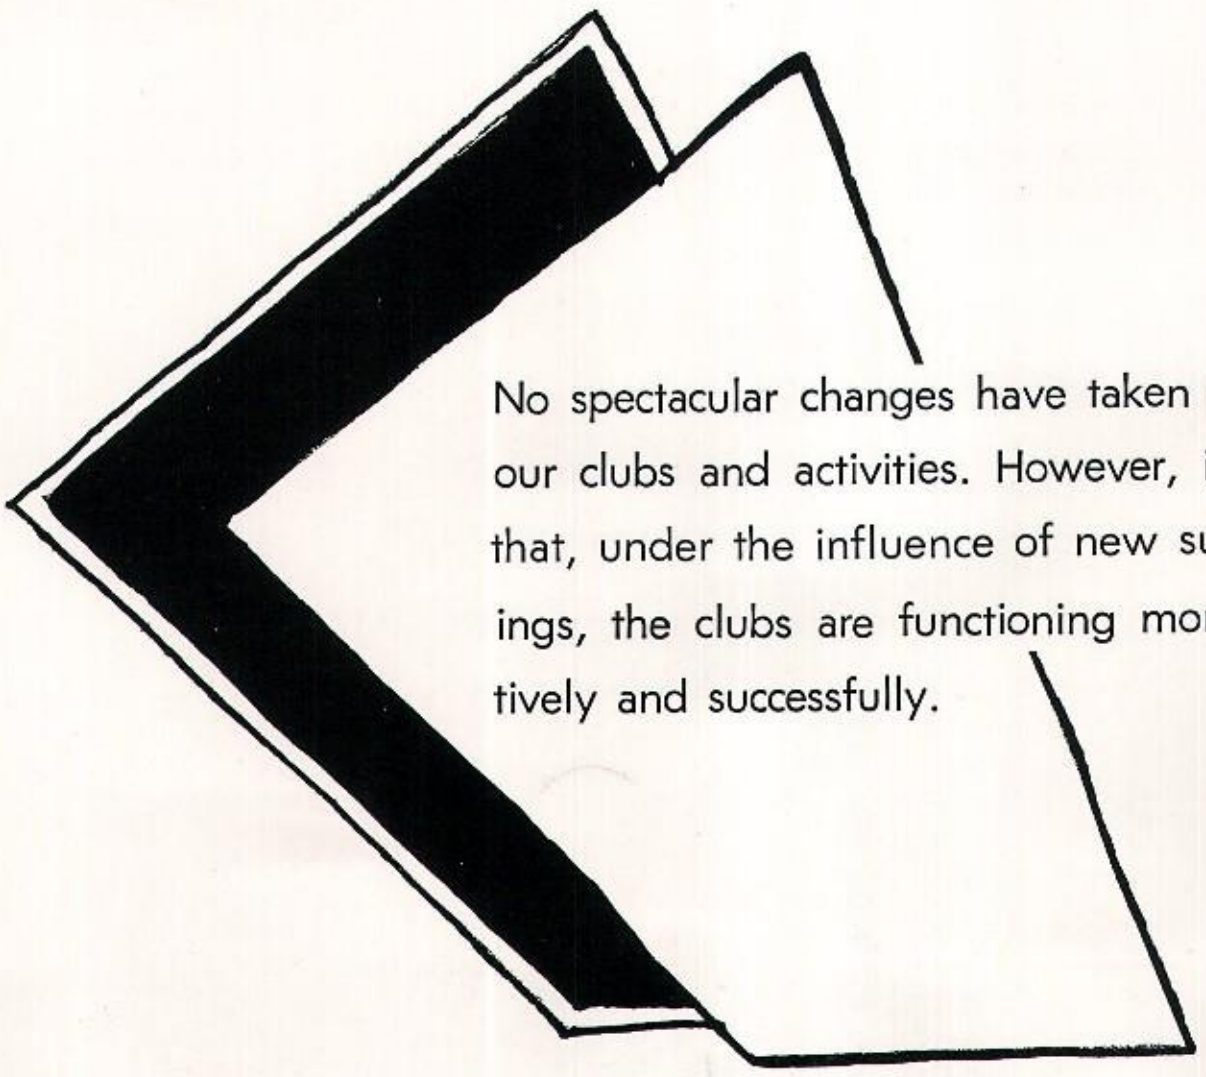
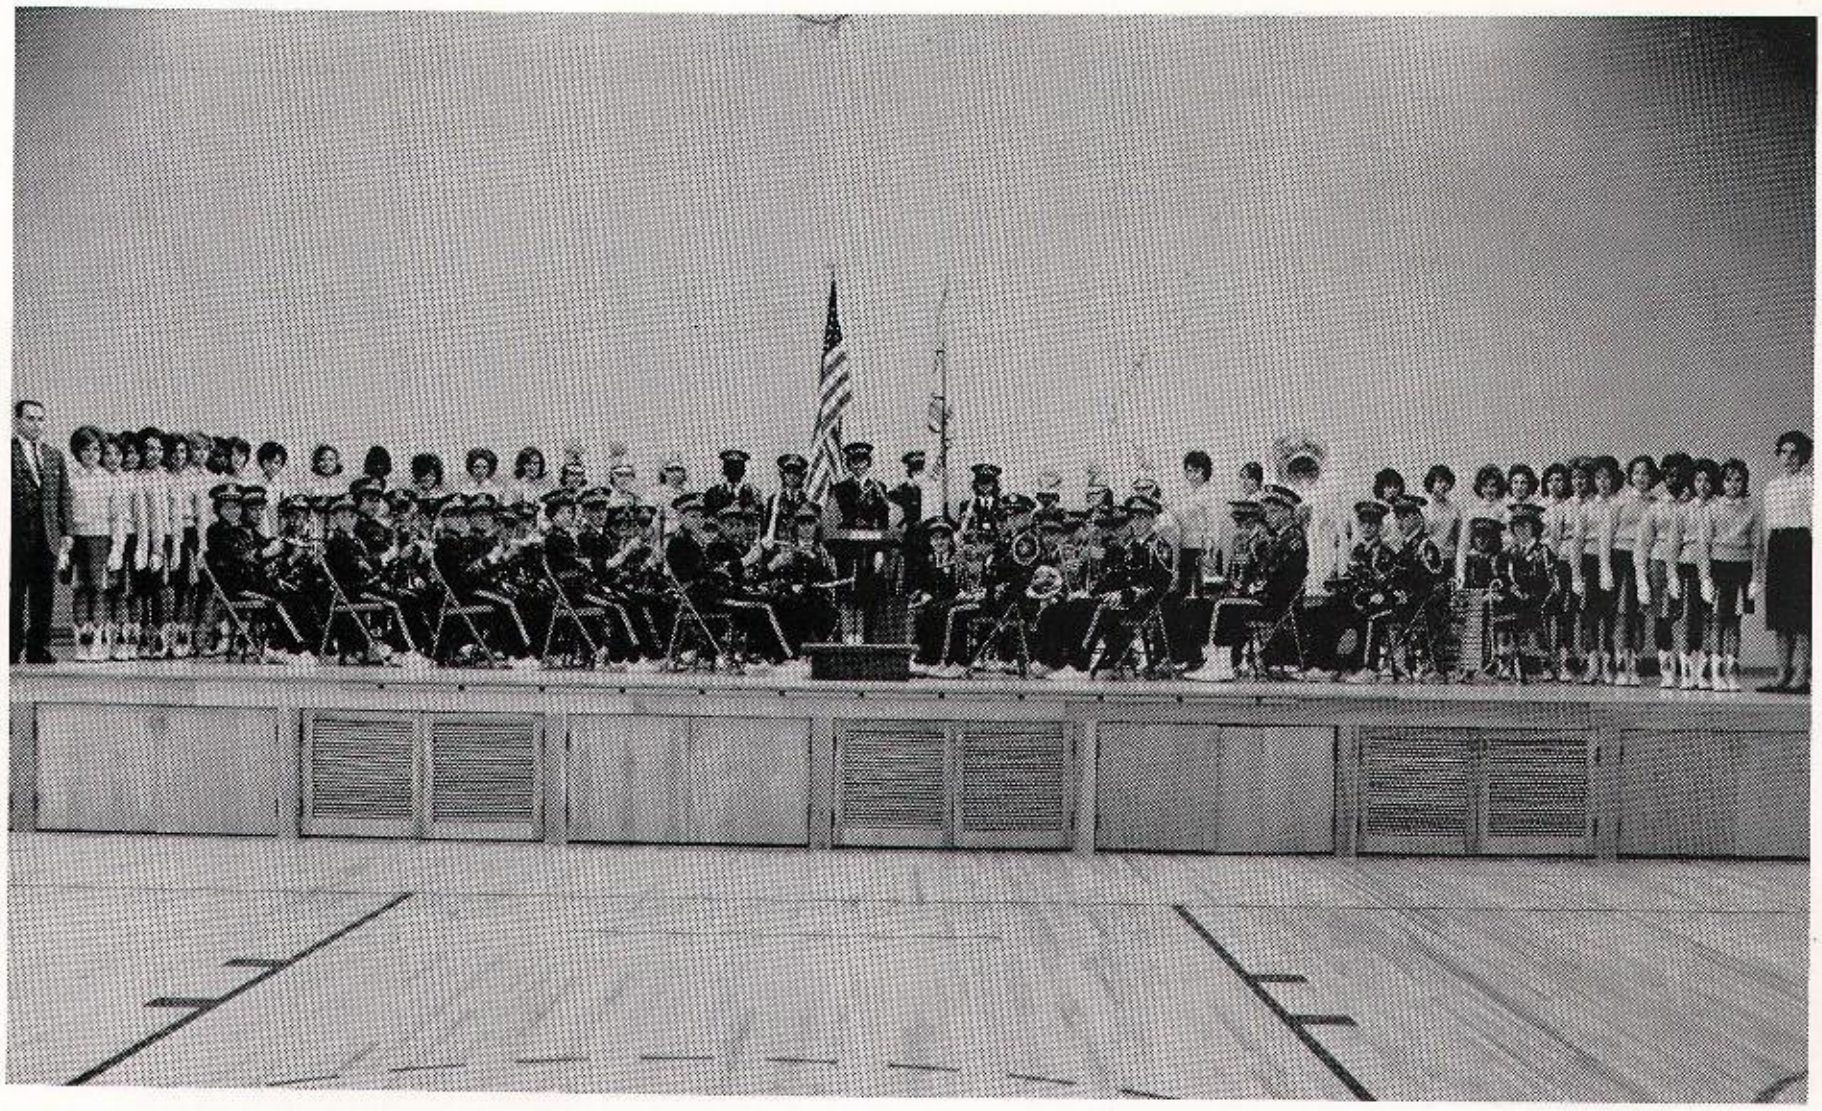
Activities



No spectacular changes have taken place in our clubs and activities. However, it seems that, under the influence of new surroundings, the clubs are functioning more effectively and successfully.

Band



MARCHING AND CONCERT BAND

The Clayton High School Blue and Gold Band, under the direction of Mr. Joseph H. Lisa, presented the fans at the football games with an excellent variety of pre-game and halftime performances. The marching unit was lead by Patricia Burns, Drum Majorette, John Farley, Student Conductor, Jesse Wood, assistant student conductor.

The band participated in various school and community activities such as the Spring Concert, various parades, and a concert tour of surrounding high schools. The band was enhanced by the intricate drilling of the majorettes and color guards. They, too, participated in many band activities. Our Clipperettes, under the direction of Miss Faust, added extensively to the brillance of the halftime performances.

Yearbook

EDITORS

N. Seagrave; W. Banks; R. Domzalski; D. Wolfe; P. McMahon

Some erasers will never erase again; some pencils are going to Pencil Heaven . . . the yearbook is finished. The year has been frantically alive; the editors have been going gray. The Clipper is a brain child, sometimes monster, born in the mind of Wanda Banks. It grew strong through the toil of a hard working staff. It had good days when the copy and photos came in on *time;* bad days when nothing came in. Some days the typists were nimble-fingered; some days there were no typists. Out of chaos, confusion, and desperate calm, the Clipper was made; out of the minds and hearts of the staff, it comes to you. We hope you liked it. It was fun for us, but not enough that we would start again tomorrow, even if we had the strength.

Student Council

The Student Council is an organization which is designed to bring about better cooperation between the student body and the administration. It is comprised of homeroom representatives, class officers, and elected officers from the senior class. This year's officers were the following: President, John Donaghy; Vice-President, Bruce Smallwood; Secretary, June Williams; Treasurer, Toni Earley.

Under the able leadership of Mr. Wallace Johnson, the Council took part in many successful activities, among which were the clothing and food drives; organization of what is hoped to become an annual event—the Homecoming Day ceremonies and Dance; and the running of the student store.
